

Notes from online morning tea catch up

Thanks to those of you who joined us online this morning. We were chuffed with turn out, not just numbers but also because Sheds from all over WA joined in.

I've attached our presentation slides and have included some further discussion points below. Please get in touch if you have any questions.

Generally

- We are incorporating zone meeting feedback for future rounds
- Regional coordinator funding will add to our staff numbers allowing us to get more done
- Launch of shed small grants program coming soon. Lotterywest will likely send sheds with small grants to us. It is also preferable that Sheds involve us if applying for big Lotterywest grants
- DGR – we're waiting on info from ATO.

Upcoming events – save these dates

- TidyHQ • webinar on 27 July
- Disaster Relief Australia • webinar on 10 August
- Men's Shed week event • Proposed date 30 August
- State conference • 5 and 6 November
- Have a Go Day • 10 November
- International Men's Day • 19 November – [do you have any ideas on how we can celebrate this with Sheds? Last year we went to the movies](#)

We'll share information about each one of these events closer to the dates.

Future further training/shed events

We're looking at holding general workshops on fundraising and social media and specific events for governance for committees and another for wellness officers.

[If you have an idea for an event/workshop idea. Please email back and let me know.](#)

A couple of things you will be getting emails about from me shortly:
